

Dear Singer,

Thank you for your interest in Nashville in Harmony. We would love to have you interview to join us in our mission to use music to build community and create social change.

We call our auditions "vocal interviews," because we want the experience to be as non-threatening as possible. The interviews typically last about ten minutes and consist of simple singing and pitch matching. There's absolutely no need to prepare anything. At the interviews you will have the opportunity to meet a few current NiH members who will be there to help. You will be notified with the results of your interview by email or phone.

Please feel free to contact me directly at director@nashvilleinharmony.org if you have any additional questions.

I look forward to meeting you.

Peace,

Don
